

**UKI NETS 15th
National Conference**

4 December 2017

Royal College of Physicians, London

Save the Date

The 15th National Conference will take place on the 4 December 2017 at the Royal College of Physicians, London.

This event aims to once again bring together professionals in the field of Neuroendocrine Tumours to discuss the latest developments and best practice within the field.

ENDOCRINE ABSTRACTS

Abstracts from the annual UKINETS meeting are published within *Endocrine Abstracts*. *Endocrine Abstracts* is a fully citable and searchable online volume of the meeting abstracts.
