

Monday 30 November 2020 – Day 1

16:00 - 16:05 Welcome – UKI NETS Chair, Prof John Newell-Price (Sheffield)

16:05 - 16:30 20 years of UKI NETS: celebrating our past - designing our future

Talks from: Prof Martyn Caplin (London), Prof Ashley Grossman (London), Prof Nicholas Reed (Glasgow), Prof John Ramage (Hampshire), Prof John Newell-Price (Sheffield)

16:30 - 17:45 Advances in NET Diagnostic Approach over the last 20 years

Chair: Prof John Newell-Price (Sheffield) & Co-chair: Prof Derek Manas (Newcastle upon Tyne)

A summary of the achievements in NET Pathology, Biomarkers, Radiology, Nuclear Medicine and NET CNS over the last 20 years. Presentations based on best evidence base, and future directions of research. Each presentation will be followed by a Chair(s) & Presenter panel debate to discuss audience questions.

Pathology – Dr Bipasha Chakrabarty (Manchester)

Biomarkers - Dr Mohid Khan (Cardiff)

Radiology – Prof Anders Sundin (Uppsala)

Nuclear Medicine - Dr Amy Eccles (London)

NETS CNS - Ms Irene Wotherspoon (Glasgow)

Tuesday 1 December 2020 – Day 2

15:00 – 15:50 Sponsored Satellite Symposium (Please see Sponsored Satellite Programme for more information)

16:00 - 17:15 Advances in NET Treatment over the last 20 years

Chair: Prof Juan Valle (Manchester) & Co-chair: Dr Andrea Frilling (London)

A summary of the advances in management of NET over the last 20 years from Surgical, Gastroenterology, Endocrinology, Medical Oncology approach and the Patient Perspective. Presentations based on best evidence base, and identify areas of unmet needs and future directions. Each presentation will be followed by a Chair(s) & Presenter panel debate to discuss audience questions.

Surgical – Mr Andrew Healey (Edinburgh)

Gastroenterology – Dr Raj Srirajaskanthan (London)

Endocrinology – Prof Maralyn Druce (London)

Medical Oncology – Dr Jane Margetts (Newcastle)

Patient Perspective – Ms Helen Pollard (Yorkshire)

17:25 - 17:40 Clinical Trials Update – Dr Alan Anthoney (Leeds)

17:45- 18:00 UKI NETS Annual General Meeting (Hosted via Zoom)

**UKI NETS 18th
National Conference Online**
Monday 30 November -
Thursday 3 December 2020
Celebrating 20 Years of UKI NETS

Wednesday 2 December 2020 – Day 3

14:00 – 15:40 Sponsored Satellite Symposium (Please see Sponsored Satellite Programme for more information)

16:00 - 17:00 **“Challenging the Experts” – Live NET MDT session**

Chair: *Dr Christos Toumpanakis (London)*

Expert Panel:

Pathologist – *Dr Tu Vinh Luong (London)*

Nuclear Medicine – *Dr Thomas Westwood (Manchester)*

NET CNS – *Ms Melissa Day (Liverpool)*

Surgical – *Prof Kevin Conlon (Dublin)*

Gastroenterologist – *Prof Dermot O’Toole (Dublin)*

Endocrinologist – *Prof Gregory Kaltsas (Athens)*

Medical Oncologist – *Dr Lucy Wall (Edinburgh)*

There will be 3 selected trainee case presentations, focused on every day NET challenges. Experts and audience will be asked to make comments about diagnostic and therapeutic approach of each clinical case.

16:00 – 16:20 **Presentation 1 – “Malignant insulinoma: choosing the appropriate treatment sequence”,** Dr Dinakshi Shah (*Manchester*)

16:20 – 16:40 **Presentation 2 – “Longitudinal quality of life monitoring of a complex neuroendocrine neoplasia patient”,** Dr Benjamin E White (*London*)

16:40 – 17:00 **Presentation 3 – “A case of Metastatic Pancreatic Insulinoma: A treatment conundrum”,** Dr Philip Yan (*Edinburgh*)

17:15 – 18:00 **NET Translational Medicine**

Chair: *Dr Debashis Sarker (London)*

Each presentation in this session will be followed by a Chair & Presenter panel debate to discuss audience questions.

17:15 – 17:45 **Novel epigenetic therapeutics for advanced NETs –** *Dr Enrique Grande (Madrid)*

17:45 – 17:55 **Development and characterisation of organoid (gastroid) cultures from low grade gastric neuroendocrine tumours –** *Prof Mark Pritchard (Liverpool)*

17:55 – 18:00 **Announcement of 2020 NCUK Research Award –** *Dr Debashis Sarker (London)*

Thursday 3 December 2020 – Day 4

14:45 – 15:45 Sponsored Satellite Symposium (Please see Sponsored Satellite Programme for more information)

16:00 – 16:45 **Oral Abstract Presentations**

Chair: Dr Mary McStay (Colchester) & Co-chair: Dr John Ayuk (Birmingham)

Each Oral presentation in this session will be followed by a Chair(s) & Presenter panel debate to discuss audience questions.

16:00 – 16:15 **Oral Presentation 1:**

Identification of soluble immune checkpoint receptor landscape in liver metastases of neuroendocrine neoplasms: a new perspective for immunotherapy – Mr Ewald Doornebal (*London*)

16:15 – 16:30 **Oral Presentation 2:**

COVID19 & My Care: NCUK community experience – Ms Nikie Jervis (*Leamington Spa*)

16:30 – 16:45 **Oral Presentation 3:**

Omic Gene Cluster Evaluation Amplifies the Prognostic Accuracy of the NETest – Dr Mark Kidd (*Branford, USA*)

16:55 – 17:25 **Plenary Lecture**

“The psychological challenges of living with uncertainty for patients with NETs” – *Professor Dame Lesley Fallowfield (Brighton)*

Chair: Dr Mairéad McNamara (Manchester) & Co-chair: Mr Mike Tadman (Oxford)

Presentation will be followed by a Chair, Co-chair & Presenter panel debate to discuss audience questions.

17:25 – 17:45 **Prize Giving & Closing** – *UKI NETS Chair, Prof John Newell-Price (Sheffield)*
