---	---

The **UK and Ireland Neuroendocrine Tumour Society** (UKI NETS) aims to promote research, education, training and best clinical practice across a multidisciplinary area in the field of endocrine tumours. UKI NETS has amongst its members leading endocrinologists, gastroenterologists, oncologists, surgeons, radiologists, nuclear medicine physicians, nurses, allied health professionals and pathologists to promote multidisciplinary collaborations.

BENEFITS OF MEMBERSHIP

- Discounted registration for the UKI NETS conference
- Opportunity to apply for travels grants for the UKI NETS conference
- Inclusive membership of the European Neuroendocrine Tumour Society (ENETS)*
- Access to ENETS official journal: *Neuroendocrinology**
- 25% discount on the article publication charge for *Endocrinology, Diabetes & Metabolism Case Reports*
- The chance to apply for a NET Research grant
- Career-enhancing opportunities for committee involvement, networking and knowledge-sharing

* Optional for Trainees, Nurses, Scientists and Allied Health Professionals

TERMS & CONDITIONS OF MEMBERSHIP

Please allow at least 10 working days for your application to be processed.

A trainee is defined as anyone who has not yet reached the date of completion of their training nor achieved consultant status. Trainees are eligible for a reduced subscription rate until completion of training is achieved when they will automatically pay the full member rate. The date of completion of training must be provided when applying for membership and the trainee must notify the UKI NETS Office if completion is achieved before that date. The maximum period for this category of membership is 3 years, after which the trainee will automatically be moved to a full member rate.

The membership year runs from **1st January to 31st December**. Applicants will be expected to pay the full year's membership fee in their first year, regardless of when their application is approved. The membership fee will not be reduced on a pro-rata basis. If you apply for membership during the period 1 September to 31 December, your membership payment will cover the remainder of that year and all of the following year. However, you will only receive journals and ENETS membership for the following membership year.

Refunds cannot be provided for part of the membership year if membership is cancelled. Notification of cancellation of your membership must be made to the UKI NETS Office and received by the end of the membership year.

Membership renewal notices will be sent approximately 1 month before the start of the membership year and as an UKI NETS member, you are expected to ensure that payment is made promptly. Members who have not paid the membership fee will not be entitled to vote at the AGM.

Members who have not paid their membership fee after a few reminders will be deemed as lapsed members and will not receive the newsletter, journal, mailings and discounted registration to the UKI NETS annual conference.

Members who have not paid their membership fee for one year or more must either re-apply for membership or pay all fees due since their last membership fee payment.
